Golf Shop Hours of Operation

The Golf Shop will open one half hour prior to the first tee-time. The Golf Shop closing time will be determined by the level of play, and Members are asked to call the Golf Shop for daily closing times.

Golf Course Opening Hours

The Golf Course season opening and closing dates are determined solely by the Golf Course Superintendent, in consultation with the Golf Course Committee.

The Golf Course Superintendent, or his designate, is solely responsible for the decision on a daily basis, of determining whether it is necessary to close, or delay the opening of the Golf Course, due to inclement weather, or any other condition which might affect play.

The following details the general schedule of Course Opening Hours. Members are reminded that general hours of play may be affected by the scheduling of certain events and the weather. Members are advised to refer to the fixture lists or notices posted at the Golf Shop and on the Club's Website or contact the Golf Shop by telephone.

April	Tee-times from 8:00 a.m.
May – August	Tee-times from 7:30 a.m.
September	Tee-times from 8:00 a.m.
October	Tee-times from 8:30 a.m.
November	Tee-times from 9:00 a.m.

Saturdays, Sundays & Holiday Mondays

April	Tee-times from 7:30 a.m.
May	Tee-times from 7:00 a.m.

September	Tee-times from 7:30 a.m.
October	Tee-times from 8:00 a.m.
November	Tee-times from 8:30 a.m.

Reserving Tee-Times

Members may make a tee-time reservation with the Golf Shop in person, by telephone, or by using the Tee-on Reservation System, seven (7) days in advance.

Members are asked to assist in the availability of tee-times, by only booking tee-times for fellow Members and their guests who have specifically committed their availability to the reserved time.

Members are allowed to book as a single golfer in any open tee time. However, the Golf Shop Staff have discretion in not allowing that single golfer to tee off if the Golf Course is busy.

Tee-Time Cancellation Policy

The Club has established a tee-time cancellation policy for those individuals who make tee-times, but fail to make the reserved time, or cancel their time with the Golf Shop.

Member with Guests: The Member, responsible for booking the tee-time, will be charged \$25 for each golfer in their group, who does not show up for the scheduled tee-time or does not cancel their tee-time at least six (6) hours before the scheduled tee-time.

Members: Any Member, who does not show up for the scheduled tee-time or does not cancel their scheduled tee-time at least six (6) hours before the scheduled tee-time, will be charged \$25.

It is the sole responsibility of the Golf Shop Staff, to record the cancellation infractions, and post the necessary cancellation fees, which will be administered on the day of the infraction. Members will be allowed a maximum of three infractions, with a fine being implemented on the occurrence of a fourth infraction. Any subsequent enquiry, or request for refund, should be made in writing to the Golf Program Committee.

Pace of Play

Players failing to maintain their place due to slow play, shall lose their position and must give way to players following behind.

Players are encouraged to use the Club's facilities after nine holes of play, including the Terrace on the Turn, but are expected to use the telephone at the 9th tee to pre-order their food requirements. Players are not allowed to stop for lunch under any circumstances and are expected to maintain their pace of play and course position at all times.

Pointe West has adopted a preferred "Pace of Play" for a round of golf, as four (4) hours and fifteen (15) minutes. Players are expected to embrace "ready golf" and move briskly on the Course.

Players unable, or unwilling to abide by this rule, may be asked to allow other groups through, or miss holes to restore their correct position.

Members responsible for slow play, in excess of four (4) hours and thirty (30) minutes, will be issued a "slow play" violation letter, by the Golf Program Committee, and may be subject to further disciplinary measures should additional infractions occur.

On occasions when a group is significantly holding up another group, to the extent that a full hole is available, the quicker group should be allowed to play through, irrespective of the number of players in the group. Once the signal to play through has been given, players should stand aside and allow the following group to play through until out of range. A single player has no standing on the course.

Course Etiquette

The rules and etiquette of golf to be employed at Pointe West are those approved by Golf Canada, except where modified by local rules.

The Course Superintendent requests that divots be replaced during periods of cool weather and when sufficient moisture is retained in the soil to allow a good chance for re-growth. During dry and hot periods, when little or no moisture is retained in the soil, sand mixture should be firmly packed in the spot in lieu of replacing the divot. Players are also asked to review the immediate area and fill in spots wherever possible.

It is also the duty of every golfer, to repair pitch marks in the green, and rake all footprints in bunkers. Players should leave a green or bunker how they would like to find it.

Registration & Member Play

All Members must register at the Golf Shop prior to play. When hosting guests, all guests must register with the Golf Shop and supply a Guest Fee Certificate or pay the applicable Guest Fee prior to play.

Play will commence from the 1st tee only, unless instructed otherwise by the Golf Shop Staff.

Players must not cut in at any time, unless there is a clear hole, and then only at the permission of the Golf Shop Staff.

Property Damage

Should window breakage or other damage, or suspected damage occur to private property adjacent to the golf course, including but not limited to that caused by the golf ball of a Member or guest, the individual Member or guest causing the damage is liable for reparation.

The Member or guest should provide the owner of the property with their name and phone number, either in person, or by leaving a note in the mailbox of the home.

The Golf Shop should be notified of any damage or potential damage, as soon as possible after completion of the round.

It is recommended that Members ensure their insurance is adequate to cover such incidents.

Cell Phones, Pagers, BlackBerry, Smartphones and Similar Electronic Devices

Pointe West recognizes the common use of cell phones, pagers, BlackBerry, Smartphones and similar electronic devices in today's society and appreciates the value of them in emergency situations. In order however to maintain the family character and atmosphere of the Club, and as a courtesy to others, Members are asked to use cell phones, pagers, BlackBerry, Smartphones and similar electronic devices at a minimum and to ensure their use does not spoil the enjoyment of the Club's facilities for other members and their guests.

Members and their guests are accordingly asked to ensure their cell phones, pagers, BlackBerry, Smartphones and similar electronic devices are turned off or have their ringers de-activated at all times, while on the Golf Course. Should it be necessary to make a call while on the Golf Course, Members and their guests are asked to keep the length of the call to a minimum, and furthermore, to use the courtesy phones located within the Clubhouse whenever possible, especially should they be required to make a call of any significant length.

Guest Play

A Member may **only introduce three guests a day and must play with these guests**. If a Member wishes to entertain a number of additional guests, they may request an outing by submitting a request to the Golf Program Committee, care of the Director of Golf. The outing should be for a maximum of 60 players, with the start time approved by, and at, the discretion of the Director of Golf.

Guests will be permitted to play at any time, except between 8:00 a.m. and 10:30 a.m. on Saturdays, Sundays and Holidays, and during periods scheduled for the Fairway and Fescue Leagues.

Guest play during the restricted time period of 8:00 a.m. to 10:30 a.m. on Saturdays, Sundays and Holidays is permitted, pending tee time availability within a 48-hour time period. Junior guests are not permitted to play during this period.

A Member may introduce the same guest no more than twice in a calendar month.

A guest that has enjoyed golfing privileges twice within a calendar month, cannot be introduced as a guest of another Member in the same calendar month.

Members are reminded that Junior guests are only permitted to play at times allocated for Junior Members.

Members are reminded that they are liable for any debt incurred by their guests and will assume full and complete responsibility for the conduct of their guests while on the Golf Course and within the Clubhouse.

Members are permitted to play golf with Staff of the Club; however, this can only occur on the designated days that Staff are allowed access to the Golf Course. The Golf Shop Staff have authority to not allow Staff to play with Members on non-designated days.

Member Morning Shotgun Weekends & Holidays

On the occasion when the Club conducts a morning Member Shotgun on a weekend or holiday the following regulations are to be observed.

Members, except for the following exceptions detailed below, may make a reservation with the Golf Shop in person, by telephone, or by using the TEE-ON Reservation System, seven (7) days in advance.

Guest play is permitted, pending availability within a four (4) daytime period.

Senior Members are permitted to play on a standby basis, pending last minute availability.

Junior Members, aged thirteen to eighteen, are permitted to play on a standby basis, pending last minute availability, at no cost. Junior Members aged seven to nine are not permitted to play. Junior Guests are not permitted to play.

League Play

The Course is reserved for League play during the following times. Members and guests who are not signed up for the respective Leagues are prohibited from access to the starting tee during these times.

Tuesdays	2:04 p.m. to 4:04 p.m.	Ladies Fairway League
Wednesdays	2:04 p.m. to 5:04 p.m.	Men's Fescue League

Reciprocal Clubs

Pointe West has formalised reciprocal arrangements with certain local private clubs in Windsor and the Essex-Kent region. Members wishing to play golf at other local private clubs should contact the Director of Golf, who can make the necessary arrangements. Members are asked not to contact these Clubs directly.

Golf Tournaments & Outings

Pointe West hosts a number of outside Golf Tournaments each year. A Member or Non-Member may apply in writing to the Club to host a tournament, care of the Director of Golf.

Furthermore, any Member may request an outing at Pointe West, by submitting a request to the Golf Program Committee, care of the Director of Golf. The outing should be for a maximum of 60 players, with the start time approved by, and at, the discretion of the Director of Golf.

Club Sanctioned Events

The Golf Program Committee, on occasion, may waive the charging of green fees for club sanctioned events. Club sanctioned events are those that are recognized and approved by the Golf Program Committee and are available to the general membership at large, subject to category restrictions.

Storm Warning

Pointe West has installed for the safety and protection of Members and Guests, the Thor Guard Lightning Prediction System and Voice of Thor Guard Horn Warning System. This sophisticated

lightning prediction system detects the presence of lightning and severe inclement weather within a pre-set radius around Pointe West.

Members and their guests, upon hearing a ten second blast, must immediately discontinue play and seek shelter, by returning to the Clubhouse or using a dedicated Storm Shelter located on the Course.

Once severe and dangerous weather has passed, and the Thor Guard Lightning Prediction System has issued an all clear, play may be commenced after the sound of three short blasts.

Disciplinary action may be taken against any Member who does not strictly abide by the instructions of the Golf Shop, in matters of inclement and severe weather.

Mandatory Spikeless Shoe Policy

Pointe West does not permit steel or ceramic spikes at any time on the Practice Facilities, Golf Course or within the Clubhouse. Only soft spikes or spikeless shoes are permitted. Members should ensure that their guests are reminded of this policy prior to playing at Pointe West.

In circumstances where a guest does not have soft spikes, we request the arrival thirty (30) minutes prior to tee-time, to allow a Locker Room Attendant the opportunity of replacing the aforementioned spikes with soft spikes. A small charge for the cost of the spikes will be made in these circumstances.

Distance Measuring Devices

Pointe West allows the use of devices that measure “distance only”, in all club events that are sanctioned by the Golf Program Committee. The use of devices that gauge or measure other conditions that might affect play, (e.g. wind or gradient) are not permitted.

Course Dress Code

All Members and their guests are required to conform to the Dress Code as outlined below. Members are reminded that they are responsible for the attire of their guests and should advise them of the Dress Code prior to their visit.

As directed by the Board of Directors, other attire may be deemed inappropriate at the discretion of the Golf Shop Staff.

Women and Junior Girls

- Sleeveless tops are permitted provided they have a collar and conversely, any top worn without a collar must have sleeves. Tank, tube, crop, halter and t-shirt tops are not permitted.
- Mock “T” Necks with long or short sleeves are acceptable attire
- Tops may be worn tucked in or untucked
- Tailored Slacks, Capris, Shorts, Skorts, Skirts and Dresses are appropriate with or without patch pockets. Cargo style Slacks, Shorts, Skorts and Skirts are not acceptable attire
- Short skirts, skorts, shorts MUST adequately cover a golfer’s bottom and undershorts must not be visible at anytime
- Denim or jean wear of any colour is not appropriate attire
- Nylon Walking Suits are acceptable attire
- * Leggings – you must also be wearing a skort, skirt or short when wearing leggings
- Soft Spike and spike less golf shoes and golf sandals are permitted
- * Any clothing with offensive or vulgar language or images are not permitted

Men & Junior Boys

- Shirts must have a collar with sleeves or be a recognized golf shirt design, e.g. mock turtle or blade collar.
- Shirts are tucked in except where the style of shirt is designed to be un-tucked e.g. button down
- T -Shirts are not acceptable attire
- Tailored Shorts must be no shorter than mid-thigh in length

- Tailored Slacks and Shorts are acceptable attire, with or without patch pockets
- Nylon Walking Suits are acceptable attire
- Cargo Slacks and Shorts are not acceptable attire
- Drawstring Pants or Shorts or Sweat Type Pants are not acceptable attire
- Denim or jean wear of any colour is not appropriate attire
- Soft Spike and spike less golf shoes and golf sandals are permitted
- * Any clothing with offensive or vulgar language or images are not permitted

These regulations have been instituted to maintain the standards desired by the Club's membership. Themed tournaments may have special permission, if requested, to allow Members and Guests to wear non-conforming clothing that does not comply with the Club's Dress Code.

The Dress Code applies to all individuals who access the Golf Course, including players, caddies, spectators, tournament workers and volunteers.

Club Management has been granted authority by the Board of Directors, to refuse golfing or clubhouse privileges to those not in compliance with the Club's Dress Code. Appropriate action will be taken for failure to comply with the Club's policy or requests made by Club Management regarding its compliance.

Golf Course Rangers

During busy periods, Course Rangers will be engaged in monitoring the "Pace of Play", to ensure it conforms with the policy currently in effect. Rangers will also help groups in location of balls, and aid groups or individuals who may need some form of assistance.

In situations where a group is failing to maintain the "Pace of Play", Rangers have been instructed by the Golf Program Committee to ask individuals to speed up play, to ensure they return to their proper position on the Golf Course.

If a group remains out of position, they can be asked to immediately suspend play and move forward until they are no longer out of position. Failure to comply with the request of the Ranger, will be dealt with by the Golf Program Committee in conjunction with the Conduct Committee, and could result in suspension of playing privileges, or other such action as deemed appropriate by the Committee.

Golf Carts

Pointe West owns and operates a fleet of electric golf carts for the convenience of Members. Due to the weight of the electric golf cart, they can create a problem to the maintenance of the Golf Course.

Carts which are improperly used can be dangerous to the occupants and cause extensive damage to the course, as well as the vehicle itself. The Golf Course Superintendent, or his designated Assistant, will have sole responsibility for determining when power golf carts may be used.

All Members and their guests must comply with the following rules, which will be strictly enforced.

- Drive golf carts on cart paths and in the rough as much as possible. Golf carts must remain on cart paths throughout all Par 3's
- Drivers must be a minimum of sixteen (16) years of age and hold a valid Driver's Licence.
(Beginner Licence not acceptable)
- Drivers should exercise extreme care around the Golf Shop and parking lot areas. When approaching or crossing bridges, speed should be reduced and additional caution observed
- Drivers should avoid fast starts, which tends to tear turf. If any damage is caused to the Golf Course or damage or malfunction of the golf cart is apparent, these matters should be referred to the Golf Shop on completion of the round
- Only two carts allowed per group, other than during certain tournament play and then only at the discretion of the Golf Shop Staff

Do not drive Golf Carts:

- Within thirty (30) feet of the greens except on cart paths
- On mounds
- In the fescue
- Onto tees or side slopes of tees
- Soft spots or seeded areas

The Golf Carts are the property of Pointe West and fees charged are self-sustaining, based on upkeep and maintenance. It would be unfair to other Members, if the general membership paid repair costs for damage caused by users of the carts, therefore, the cost of repairing damage caused by a member or their guests will be charged to the member's account.

Medical Golf Cart Policy

Members and guests who have difficulty walking the course due to some physical disability or impairment, may apply to the Club for a minor dispensation to the existing Golf Cart Rules.

Members and guests wishing to avail themselves of the Policy should complete an Application Form, available from the Club Office, and supply a letter from a treating Physician, recognized by the Committee, which specifically states that they are physically unable to walk reasonable distances, including the period of time for which their disability will prevail.

Should the application be approved by the Golf Course Committee and Board of Directors, the applicant will be issued with a green flag which is attached to the cart, indicating the additional dispensation offered to them under the Policy.

Pull Carts

Pointe West offers complimentary pull carts to its Members and their guests. While a pull cart is not overly heavy, the continued tracking of carts close to greens and across tees, can cause compaction and damage to the turf over-time. As such, Members and their guests are asked to show common sense and courtesy when using a pull cart, and to strictly avoid pulling carts across green aprons or tee boxes.

Practice Facilities

Players are prohibited without exception from practicing on the Golf Course proper.

The Practice Range will be available from Mid-April to Mid-October, weather permitting. Members are prohibited from the Practice Facilities, which includes the Putting and Chipping Greens, prior to the formal season opening.

The Practice Range hours will coincide with the Back Shop, opening one half hour before the first tee-time and closing at dusk or 8 p.m. whichever is later, unless otherwise posted.

The Putting Green is for putting only. Chipping, pitching and sand shots should only be played on and around the Chipping Green.

Due to concerns over the continued availability of the Practice Range, because of the level of errant balls being hit over the practice range net, the Board of Directors approved the following recommendations from the Golf Course Committee, which Members and their Guests are asked to strictly adhere to.

- Players must hit balls from the designated hitting area or practice range mats when directed
- Players must abide by any posted signs or the specific instructions of the Golf Course Committee or Golf Shop Staff
- Players should aim their shots down the middle of the Practice Range away from the practice range net and Fairway #1

In circumstances where a player is witnessed hitting an errant ball over the practice range net, a warning will be issued by the Golf Shop Staff.

In circumstances where a player is witnessed hitting a second errant ball over the practice range net, the Golf Shop Staff will issue a second and final warning, instructing the player to immediately cease any actions which may result in additional errant balls being hit over the net. In the case of a member's guest, they will be asked to immediately leave the Practice Range.

Should the player hit additional errant balls over the net; a formal notification will be issued to the player from the Conduct Committee, suspending their Practice Range privileges for a period to be determined by the Committee and approved by the Board of Directors. Further infractions will result in additional suspensions being levied by the Board.

East End Range – A hybrid flighted range ball is available which allows the use of all golf clubs, including drivers, fairway woods, hybrid clubs. The use of a regular range ball with irons only is acceptable.

West End Range – A regular flighted range ball is available which allows the use of IRONS ONLY. A bag of regular range balls is available for collection by Members from the Golf Shop.

The use of these regular range balls is the responsibility of the member to which they have been issued. Members should return any unused regular range balls and the range ball bag, back to the Back Shop after practice. Regular range balls which have not been hit, should not be left on the hitting deck under any circumstances.

Members are further advised that the Conduct Committee and Board of Directors, supported a recommendation from the Golf Course Committee, that the penalty for hitting any Club other than an iron with a regular range ball from any part of the range, unless approved otherwise by Club Management, will be a one month suspension from both the Practice Range and Golf Course proper.

Complaints

Members are requested not to reprimand employees or discuss Club matters with them.

All complaints concerning the standard of service should be directed immediately to the Supervisor or Manager on Duty, or the Club Manager in their absence, or in writing to the Board of Directors.

Any criticisms, comments or other communications regarding the Golf Course, and its condition and maintenance, should be directed to the Board of Directors, care of the Administration Office or Golf Course Committee.

Members are reminded that Club Management, including the Director of Golf and Golf Course Superintendent, do not set policy or make rules, and accordingly should not be criticized if they, in everyone's best interest, find it necessary to inform a Member of a rule infraction.

Rules for Qualifying in and Playing in Club Matches

The Golf Program Committee, in conjunction with specific Tournament Committees, shall determine who may participate in Club Tournaments and Matches. Specific player eligibility is available upon request.

Participants in Pointe West Golf Club Matches must be golfing members throughout the duration of the matches.

Golf Canada rules will apply in all events except as amended by local rules on the scorecard.

Players must have established a certified Club Handicap to qualify for any of the Match Play Handicap Events.

Any Club Match Play Event that is sanctioned by the Golf Program Committee has precedence over any tee time restriction that may arise, due to the category of membership and the tee time restrictions they impose, except for the tee time periods which have been established for the Fairway and Fescue League.

It is the duty of each golfer to contact their opponent and arrange a date to play their match.

No matches will be extended past the date and time set by the appropriate Match Committee.

Any dispute which may arise over the scheduling or non-playing of matches will be determined solely by the appropriate Match Committee.

Qualifiers must notify the Golf Shop, signing any required qualifying sheet before teeing off, and must post their first 18 Hole score of the day.

Golf Carts may be used in any Club Match or Tournament.

On Championship Weekend, the Golf Shop will schedule all tee-times, following policies established by the Tournament Committee and Golf Program Committee.

Cancellation Policy

Should a Member who has signed up for an event or tournament subsequently be unable to play in the event, **notice of cancellation should be supplied to Golf Shop Management at least 72 hours prior to the event.** Any cancellation after this specified time may be subject to payment of some or all of the entry fee/price.

The Board of Directors, from time to time, may develop additional Cancellation Policies for certain events, and Members should seek clarification on these policies from Golf Shop Management.

Medical Leave of Absence Policy

The Club has established a Medical Leave of Absence Policy for those members who are unable to enjoy their membership privileges due to illness or disability.

All requests for a Medical Leave of Absence must be made in writing and forwarded to the Membership Committee for their consideration, with supporting written documentation from the Member's treating physician, indicating the period of time for which the illness or disability will prevent the aforementioned Member from enjoying membership privileges at the Club.

A Medical Leave of Absence will be granted in the circumstance that the medical leave fits the present criteria set out by the Membership Committee and is for at least a minimum of sixty days. If the Membership Committee believes that the medical leave of absence fits their criteria, they will provide the member a medical leave for the period of medical incapacity. During the approved period of medical leave, Membership Dues and Fees will not be due and payable.

Access to the Golf Course is restricted during the Medical Leave of Absence, with the exception of Club Championship, when other "non-members" are spectating and walking the Golf Course. Access to the Clubhouse and Dining Room is welcomed and encouraged.

Should the Member wish to evaluate their recovery and determine their level of progress towards the end of their Medical Leave of Absence, a written request to utilize the Practice Facilities must be received by the Membership Committee for consideration and approval. If approved, the Member will be granted limited access to the Practice Facilities for a brief (15 minute) session during the week prior to their anticipated return date.
