2022 SCHEDULE OF MEMBERSHIP DUES, FEES AND OTHER CHARGES

The following is a detailed outline of the 2022 Membership Dues, Fees and Other Charges and should be reviewed with all documents included in this mailing package.

1. **MEMBERSHIP DUES**

Membership runs from January 1, 2022 to December 31, 2022.

Members have the option of paying their Membership Dues in a one lump sum payment, 4 monthly payments (January through April), or as a monthly charge over 12 months (November through October). The 4 monthly payment schedule carries a 2.0% additional fee, while the 12 monthly payment schedule carries a 6.0% additional fee.

Members choosing the lump sum payment method are responsible for full payment by February 28, 2022.

All Membership Dues are stated on an annual basis. A Member who chooses the monthly payment option acknowledges responsibility for payment of Membership Dues for the entire year. Should a Member resign, the remaining payments for the year become due and payable prior to acceptance of the Member's resignation.

Should a membership category change be necessary, please advise the Administration Office using the enclosed Membership Category/Dues Change Form. **Members who are considering a change in membership category, are still responsible for payment of their member statement on receipt**, at which time interest will begin accruing, unless their required membership category change has been communicated to the Administration Office in writing, prior to month-end. Interest charged on a Member's account for non-payment of Membership Dues will not be refunded if a request is made at a later date to change a Member's membership category. Any refund which occurs from an overpayment, following a membership category change, will be made promptly by Club Administration.

Included as Addendums to this 2022 Schedule of Dues, Fees and Other Charges, is a spreadsheet detailing Membership Dues payments as a lump sum payment, over the 4 monthly and over the 12 monthly payment schedule and a document entitled 2022 Membership Descriptions, which provides full details of the Club's membership categories and their respective playing privileges. Should any Member have specific questions regarding membership categories and options, our Administrative Staff will be delighted to help.
